

INTERSOCIETY PATHOLOGY COUNCIL

www.interpathcouncil.org

The Intersociety Pathology Council (IPC) is an unincorporated organization which serves as a central source of information about pathology in the practice of medicine, in medical research and education and provides a unified voice for the discipline of pathology in North America. The Council, formed in 1968, is presently composed of representatives of 27 pathology organizations. The secretariat for IPC is:

The Intersociety Council for Pathology Information
