

ARTHUR PURDY STOUT SOCIETY OF SURGICAL PATHOLOGISTS
Directory of Surgical Pathology Fellowship Programs

This listing is prepared by the Arthur Purdy Stout Society of Surgical Pathologists for the pathologist-in-training seeking further experience in surgical pathology or a field of special emphasis related to surgical pathology. The listing is obviously incomplete. The Society neither guarantees nor endorses any of the programs. The applicant is, therefore, urged to write to the Directors of individual programs to seek more information or obtain application forms. Directors of programs not listed in this Directory, but desiring inclusion in the next edition, are requested to contact
